

Мы собрали более 500 образцов лучшего пива из представленных в России. Это не просто популярное пиво, а подборка, созданная командой ВН, сбалансированная и выверенная – каждый найдет что-нибудь для себя. Более того, наш ассортимент постоянно обновляется.

Стоимость не должна иметь значения при выборе, поэтому мы предлагаем цены «как в магазине» и рады сделать каждую бутылку, которую вы берете с собой, еще доступнее, вычитая 100 рублей из стоимости.

/

We have more than 500 varieties of beer available in Russia. These are not just popular sorts of beer – it is a collection carefully selected by the ВН Team so that every customer finds something he or she enjoys.

We believe that price should not affect your decision on which beer to buy. That's why our prices are comparable to the prices of a bottle of beer in-store. And for every bottle you order to take away, we will reduce the price by 100 rub.
